

FUTURE SENIORS SCHEDULING INFORMATION

REGISTRATION FOR 2019-20

January 28 - January 31: You will meet with your Counselor during your English class.

February 8: Last date to turn forms in.

After that date, if your form is not turned in, your courses will be selected by your Counselor and you cannot change them.

Select 7 classes plus alternates.

If you don't select courses and alternates, Counselors pick your classes.

Many courses require teacher recommendations. Remember to have your teachers sign your form for advanced courses.

You are responsible for acquiring teacher recommendations prior to meeting with your Counselor.

Be sure you have selected an English and a math course. It is recommended that you also take a science.

If you select a one-semester course, you must pair it with another one-semester course.

COURSE SELECTIONS ARE FINAL!!

SHOULD I TAKE ADVANCED COURSES?

We recommend that you challenge yourself, but don't overdo it. Take the most rigorous course(s) that

YOU CAN HANDLE!

You are making a year-long commitment!

What if you have failed a course?

If you have failed a course that is required for graduation, you will need to retake it. When selecting your 7 classes, be sure to include any graduation requirements that you need to retake. If you only need to make up one semester, be sure to choose a class to fill up the other semester.

Did you know?

Taking electives in high school is a great way to explore a variety of career fields. In college, you will pay for every elective course that you take, so most people can't afford to explore careers while in college.

GRADUATION REQUIREMENTS

CHECK THESE OFF! WHAT DO YOU STILL NEED?

ENGLISH	4	
MATH	4	
SCIENCE	3	
SOCIAL STUDIES	3	
HEALTH	0.5	
PHYSICAL EDUCATION	1.0	
FINE ART	0.5	
ORAL COMMUNICATION	0.5	
CAREER / TECHNOLOGY	0.5	
ELECTIVES	7	
TOTAL	24

CONCURRENT CREDIT

If you are interested in taking Comp I / II and/or College Algebra & Finite Math or Trig, you must have qualifying ACT scores, a 3.0, and a teacher recommendation. Pick other classes, but let your Counselor know that you are interested.

You are responsible for bringing us your ACT scores.

Comp I / II: ACT Rdg. = 19 / Eng. = 19

College Algebra: ACT Rdg. = 19 /
Math = 21

Finite or Trig: ACT Rdg. = 19 / Math = 24

OR make a C or higher in College Algebra
*Keep in mind that these are
challenging college courses!*

MARK YOUR CALENDAR

Jan. 24—NTI / SCC Career Fair

Feb. 8—Final date to turn in request forms

Feb. 20—School-based ACT

March 8—NTI applications due

April 1—Final date to change
course requests

April 1— Last day to submit test scores
for ECE courses.

SCHEDULE CHANGES

Course requests are an extremely important part of staffing the school and building the master schedule. For this reason, Counselors will not be making schedule changes in the fall. All course requests are considered final, and changes will only be considered in cases of Counselor error. Choose wisely as you are committing to the courses that you select. **COURSE SELECTIONS ARE FINAL!!**

WHY CHOOSE ALTERNATES?

Not everyone will get their first choices due to staffing, class loads, and course conflicts. Alternates are your opportunity to tell us your back up choices.

ALTERNATES GET USED!

Getting an alternate on your schedule is not a mistake.

You cannot request teachers, class periods, lunches, etc.

Your 1st & 2nd semesters may not be the same! This is not an error.

TEACHER RECOMMENDATIONS

- Required for any advanced class.
- These are based on what is in your best interest, not on your feelings!
- If you are recommended for an advanced class that you don't want, let your Counselor know.

CLASS of 2020

WHAT ELSE?

ACT—Take Junior year, then again in the spring or fall of senior year if you want to. Students who receive free or reduced lunch qualify for 2 fee waivers.

Be mindful of your attendance! Don't allow yourself to lose credit in a course.

Can you raise your GPA this semester? For many of you, junior year GPA is what colleges will be looking at!

What are you doing after high school? Don't wait until senior year to think about it!

Research colleges now and over the summer. Take visits if you can. Narrow down your options so senior year is less stressful!

NTI/SCC

If you are interested in learning a trade while in high school, NTI may be for you. You must apply by the deadline, submit qualifying test scores, and have a GPA of 2.0.

Admission to programs is competitive.

Deadline = March 8

PROGRAMS:

Automotive
CNA/PCA+ & CNA
Criminal Justice
Culinary Arts
Dental Assisting
Diesel & Truck Technology
EMR
HVAC
Welding
