

Career Connections Meeting

Tuesday, September 27th
Rogers New Tech High School 2922 S. First St., Rogers, AR
Time: 5:45-7:00pm

Rogers Public Schools offers a wide variety of career and technical programs. These programs equip students with academic, technical, and employability skills that will prepare them for college and career pathways. Many of the programs also offer industry certifications that verify a proficiency level of skills recognized by business and industry.

Please plan to attend the Career Connections Meeting on September 27th to learn more about career and technical programs, employment data, and post-secondary programs that are available to students.

5:45pm – 6:00pm Refreshments served

6:00pm – 7:00pm Presentations and guest speakers in cafeteria

Rogers Public Schools will ensure that all students will have equitable access and opportunity to all career and technical education courses, programs, student organizations, and events.
